The Way We Are

1972

Bethany College

Bethany, West Virginia

Faculty and Administrators

*They are too old to be friends;
too influential to be enemies.*

*We concur with or dissent from their ideas.
While each enhances the other's enlightenment,
they offer us experience,
we offer them hope.*

President Perry Epler Gresham

Few of us knew him. We didn't see him around too often, except at convocations, formal functions, and an occasional football game.

Even though he wasn't always in Bethany, his presence was felt. He had our respect. He was the chief. The boss. The grand old man.

Illness kept him from our sight often during our stay here. His absences, though, made our contacts with him that much more memorable. Who could forget him at convocations—the master speaker with an anecdote for every occasion and the God-given ability to hold an audience in the palm of his hand.

Bethany as we know it was not the Bethany he knew when he arrived here. Our Bethany is bigger. The enrollment and the physical plant nearly tripled in size since 1953, his first year as president of Bethany College.

"I don't claim any credit for these improvements," he would say. "I just happened to be here when they came about."

He shouldn't have been so modest. Bethany is what it is today because of the combination of vision, pragmatism, and charm he exhibited in fulfilling his presidential duties.

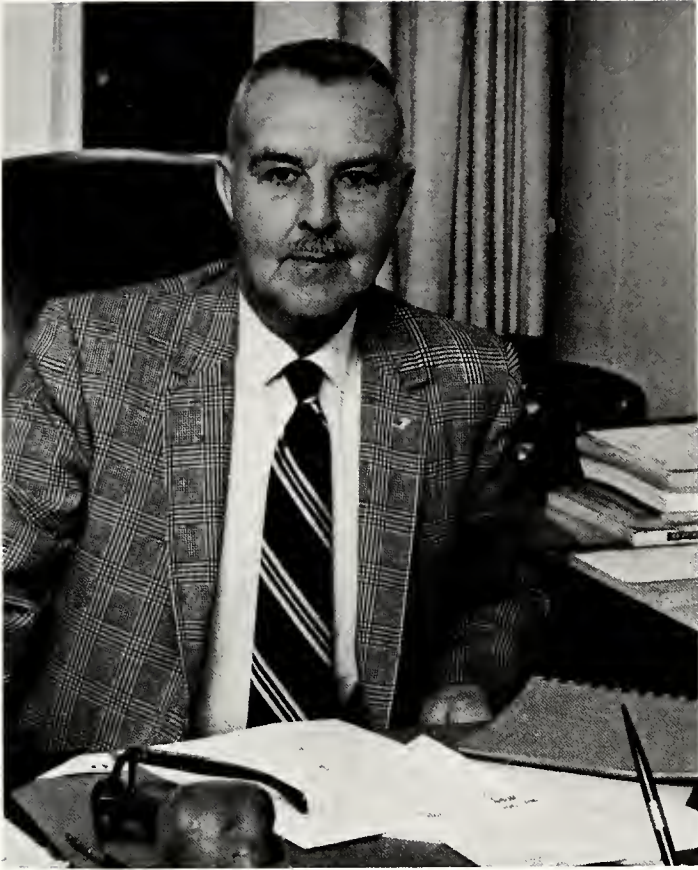

We thank Perry Epler Gresham for serving us with the wisdom of his age and the spirit of his youth.

Members of the 1971 football team: row one, left to right: T. Leo, C. Carpeta, D. Swickard, C. Shepherd, M. Marinoff, N. Hartenstein, S. Radakovich, T. Maloney, T. Vogler, B. Caruso, A. Hast, J. Loheyde. Row two: L. Chavez, M. Nicholson, J. Costantino, P. Harvin, M. Hicks, R. Gunsorek, J. Paolo, G. Munn, R. Rice, G. Stoltz, J. Godish, D. Brandon. Row three: D. Vincenzo, J. Pope, B. Radakovich, L. Lipinski, J. Davis, B. Kain, D. Vogt, J. DeBlasis, M. Fedak, B. Walker, R. Sorenson, D. Lesiak. Row four: J. Stoltz, R. Roonan, J. Schieb, P. LaBrada, I. Hampton, T. Nola, B. Mize, R. Spiller, D. Goldstein, J. Chiesa, B. Simpson, J. Hurley. Row five: B. Newton, J. Godwin, R. Doherty, F. Rubalcava, R. Hafner, S. Bechtold, L. Denisar, T. Redman, M. Sergio, M. Holenka, J. Kapral. Row six: D. Sims, B. Elder, T. Keating, E. Watkins, R. Foster, L. Wilneke, D. Sauer, D. Ault, A. Applin, B. Riley, B. Goin.

It was a frustrating year for Bob Goin's varsity football team. Goin, who has had consistently winning seasons as gridiron boss, saw his 1971 team win only three of nine decisions. Bison wins came against Thiel, Case Reserve and the College of Steubenville. Bethany finished 2-3 in the league tied for fourth place. John Carroll won the conference crown by winning four of five PAC games. Freshman Russ Foster led the Green and White in total offense with 593 yards. Junior Demrey Brandon had another good season rambling for 586 yards on the ground. He scored seven touchdowns to lead the team.

Football Team Wins Three

Soccer Squad Remains King of PAC

Members of the 1971 soccer squad: first row, left to right: F. Kurz, K. Bawuah, T. Thurlow, F. Christy, C. McKee, J. Jenkins, L. Tacke, R. Siconolfi, P. Friesell, K. Nicholas, C. Haydar, J. Coker. Second row: Coach Cunningham, J. Gast, R. Marshall, D. Geier, F. Borg, K. Holt, J. Bossange, L. Friesell, S. Otto, R. Tardif, I. El-Abd, R. Bongiorno, T. Spang, R. Hudson. Third row: J. Williams, J. Siennick, J. Boachie-Agyeman, D. Geyer, E. Adams, P. Vincent, L. Leebson, R. Gardner, A. Shaulis, D. Booth, P. Andy.

Winning soccer championships has become a tradition at Bethany. The soccer squad

went undefeated in PAC action and became champs for the second consecutive year.

Bethany had one of its best cross country seasons in history as they finished their dual meet season with a 5-2 record. In the conference meet, the Bisons took fourth place.

Members of the 1971 cross country team: front row, left to right: P. Stein, G. Furlong, K. Swindler, P. Chewning, M.

Steimer. Back row: Coach J. St. Clair, T. Bartholemew, G. Benesh, B. Concilus, J. Hubbard, R. Swank.

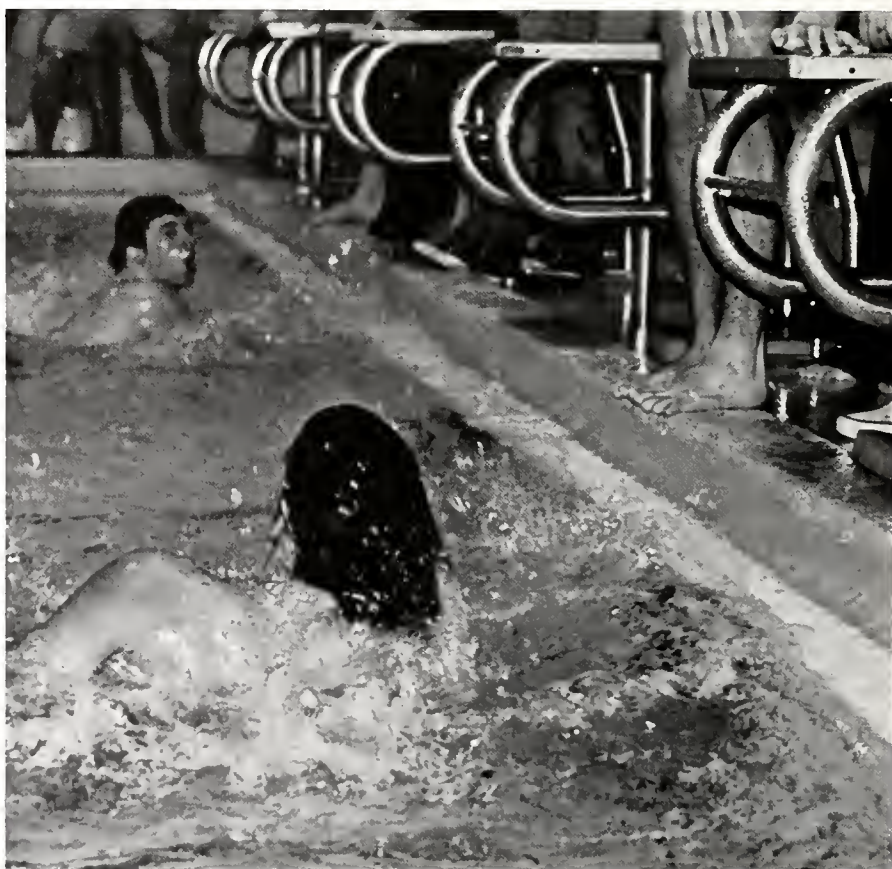

Harriers Finish Fourth

Swimmers Win Sixth Straight Crown

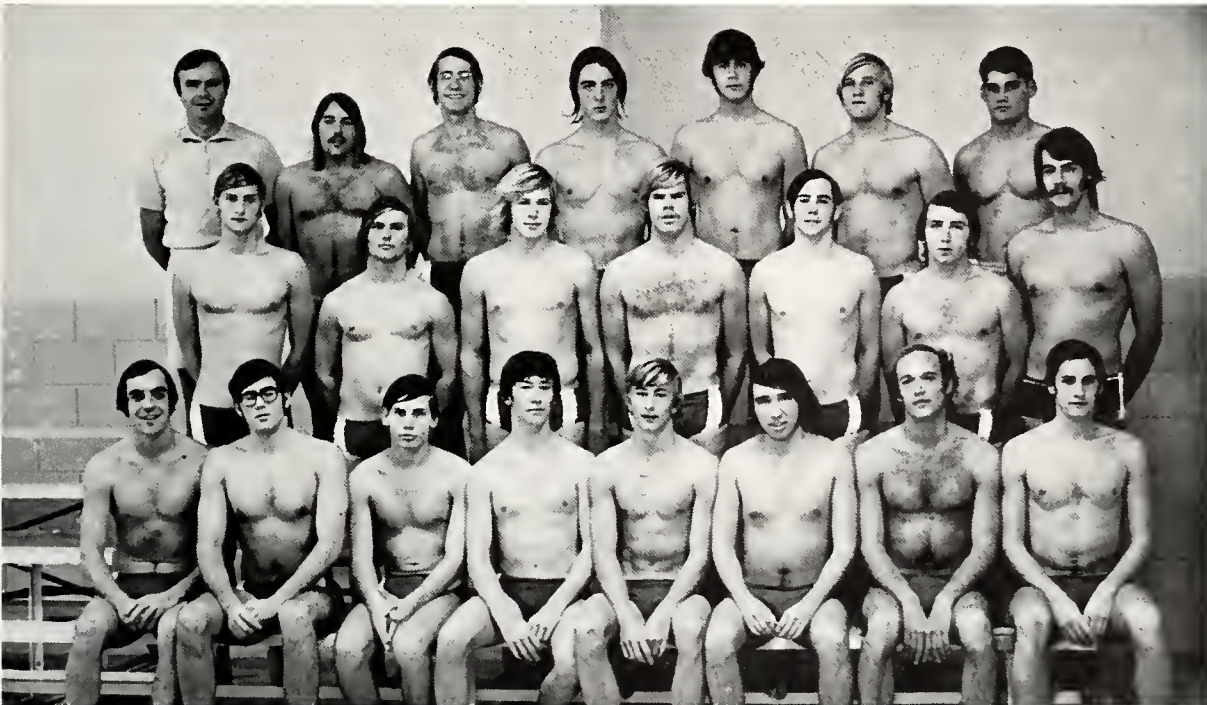

Bethany continued its swimming domination in the PAC by winning its sixth straight conference championship. The Bisons narrowly beat Allegheny to win the crown. Bisons who took firsts in the final meet were Morrissey (two), Brunson and Siconolfi. The 400 yard medley relay team was also victorious. During the regular season, Bethany won 11 of 13 dual meets as a prelude to the league title.

Members of the 1971-72 swimming team: first row, left to right: D. Nicholson, K. Davis, D. Olney, B. Collinson, B. Johnson, B. Bell, H. Bucklin, B. Stettinius. Second row: T. Emch, R. Ross, P. Thomsen, C. McKee, D. Hezlep, G. Myers, J. Brunson. Third row: Coach Applin, B. J. Haley, C. Wright, J. Bosee, K. Morrissey, B. Koszalka, L. Chavez.

Cagers 5-16; Look To Next Year

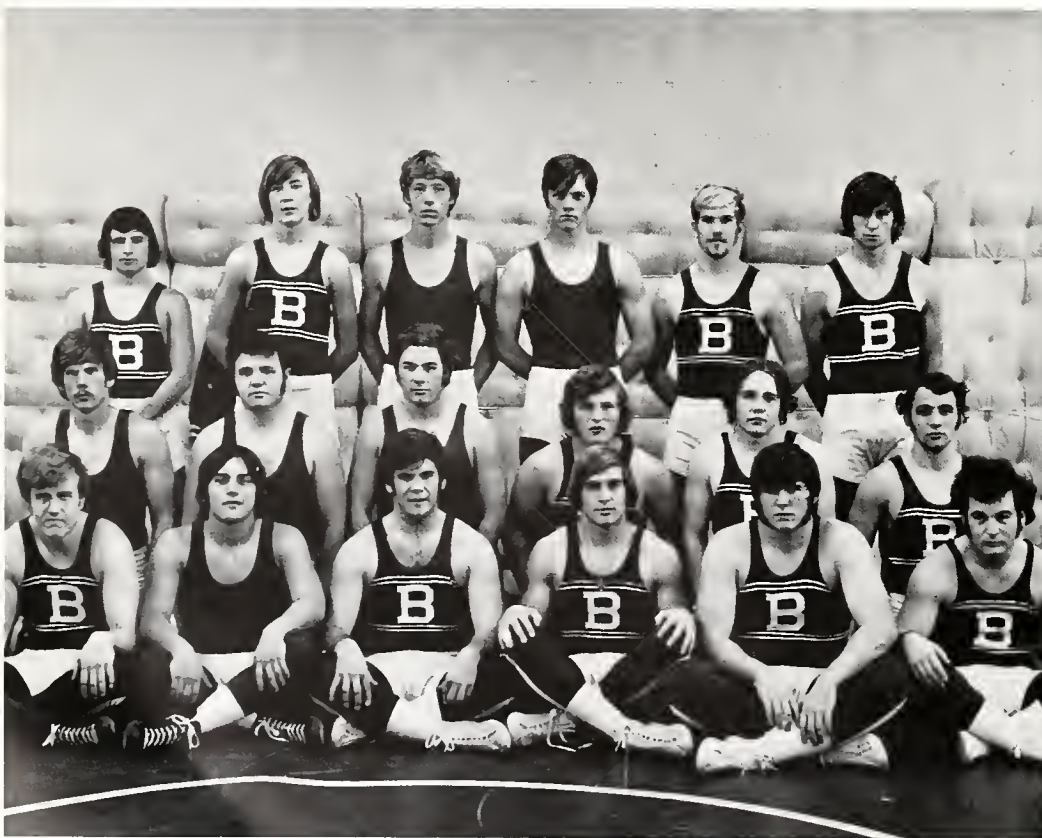

Members of the 1971-72 basketball team: front row, left to right: Joe Schmitt, J. Dailer, D. Sadler, R. Fox, N. Kiefer, D. McKay, B. Matthews. Second row: Coach Sauer, B. Peck, R. Sackett, Jim Schmitt, G. Gundling, C. Rock, D. Peterson. Third row: W. Mroczkowski, S. Jantz, S. Nelson, D. Miller, R. Weaver, J. B. Ali, J. Paolo.

Bright spots were few and far between for the 1971-72 basketball team that won only five of 21 games under the direction of first year Coach Dave Sauer. Bethany finished tied for fourth in the league with a 4-8 record. Freshman Jim Schmitt led Bethany in scoring with 302 points and a 14.4 average. Junior Randy Fox was second with 274 points and a 13.1 average. Fox made the second team on the all conference squad.

Wrestlers Take Sixth In PACs

The Bison wrestling team had its finest season ever by posting a 5-9 regular season record. However, they placed sixth in the conference championship meet. Jeff Stoltz took a third by winning in the championship consolation in the 142 pound class. Three others, Ralph Mazza, Val Gundling and Lou Bachner, advanced to the consolation bracket, but lost. John Carroll won the league crown for the sixth straight year.

Members of the 1971-72 wrestling team: first row, left to right: L. Bachner, T. Kuhns, R. Present, V. Gundling, A. Jackson, M. Cousin. Second row: B. Elder, R. Haffner, H. Denny, L. Denisar, J. Clayton, J. Stoltz. Third row: R. Mazza, B. Everett, G. Fischer, C. Bowers, G. Goodlin, D. Cowdin.

Members of the 1972 track team: first row, left to right: Coach Ault, B. Walker, R. Siconolfi, S. Radakovich, P. Stein, D. Hoffacker, M. Nicholson, B. Matthews. Second row: R. Gunsorek, D. Brandon, L. Lipinski, D. Selwyn, P. Chewning, G. Furlong, P. Harvin, K. Swindler. Third row: I. Hampton, G. Benesh, T. Skrabak, M. Mizer, M. Sergio, K. Bell, B. Radakovich, J. Godwin.

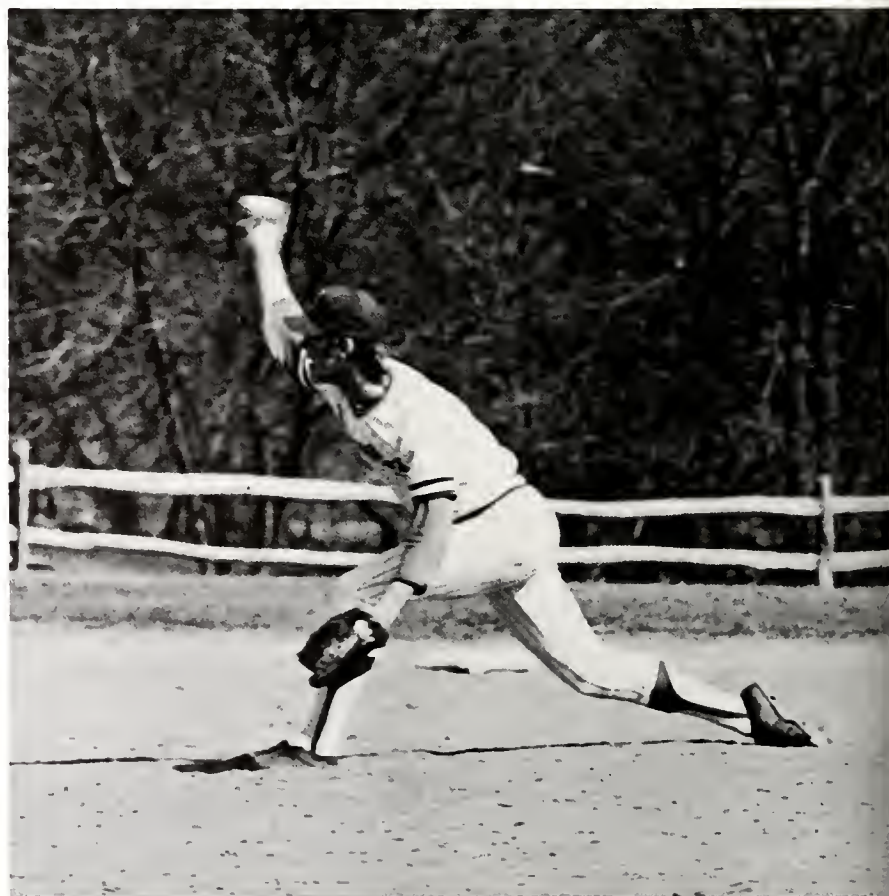

The Bison cindermen enjoyed one of their winniest seasons by posting a 6-2 dual meet record. In the PAC meet, the Bisons tied Allegheny for fourth place with 70 points in the event won by Case Reserve. The Bisons swept the first three places in the shot put with Sam and Bob Radakovich and Mizer finishing one, two, three. Skrabak had a third in the 880; Matthews a third in the 440 intermediate hurdles; Hoffacker had a third in the triple jump; Harvin, a third in the discus.

Track Team Ties For Fourth

Diamondmen Bat, Pitch Their Way to Winning Season

In Coach Sauer's first experience with a Bison baseball team, he produced a winning team. The diamondmen won 10 of 17 games and finished 6-3 in the PAC. Steve Vitchner and John Dalek led the pitching corps while Paul Soly, Rod Lake, and Mark Hicks were among the leading hitters on the team.

Members of the 1972 baseball team: first row, left to right: O. Hughes, R. Lake, L. Sadler, C. Bowers, M. Fedak, T. Nola. Second row: M. Hicks, T. Gefert, N. Kiefer, D. McKay, L. Wineke, D. Sims, J. Bowers. Third row: Coach Sauer, P. Soly, R. Caputo, D. Davin, R. Sorenson, A. Kowalo, L. Chavez. Missing from the picture are: S. Vitchner, J. Dalek, B. Falzarano, J. Godishand, R. Soly.

Netters Finish Tied For Fifth

Members of the 1972 tennis team: left to right: T. Thurlow, S. Stewart, F. Johnson, B. Cruse, R. Hudson, V. Gundling, B. Jyrak, G. Ford, T. Wasielewski, C. Mazzetti and Coach Kurey.

Tennis, usually a winning sport at Bethany, went through a rebuilding season and won only three of seven matches. Rainouts continually plagued the netters. The Bisons had wins over Allegheny, Geneva and John Carroll. In the PAC match, the Bisons finished tied for fifth with Carroll. Case Western Reserve won the tourney.

Golfers Have Long, Hard Season

Bethany's golf team suffered one of its worst seasons ever as the linksmen managed only one victory in 12 matches. In the PAC match, the Bisons took last place, finishing with 908 strokes. Thiel College won its third straight golf title.

The members of the 1972 golf team are left to right: Coach Skip Applin, Tom Johasky, Jim Dailer, Lane Zellman, John Pope, and Ron Sackett.

Betas Win Intramural League

Beta Theta Pi won another intramural crown by scoring 282 points. Sigma Alpha Epsilon took the second spot with 271 points. They were followed by Alpha Sigma Phi, Woolery, Sigma Nu, Delta Tau Delta, Kappa Alpha, Phi Kappa Tau, Cochran, Campbell and McEachern.

Bethany College

Bethany, West Virginia

An Introduction

We watched you come together to share a feeling, a moment, or a thought integrating your experiences in Bethany.

We felt the joy, the growth, the love, and the knowledge. We've known the loneliness, the emptiness, the mediocrity, and the isolation. These passions seemed wedded in a strange paradox.

We grasped the possibility to record this impression. We seized the ordinary and examined it for the extraordinary.

In creating these books we have observed and mingled with your emotions and experiences. Our creation is your offspring. Our books don't merely show Bethany, they illustrate you as individuals, as a community. We hope you see

The Way We Are ;

The Way It Is.

I am.

I preserve my individuality by thinking. Contemplation of the past and present makes understanding the future easier for me. To think about a new way of life that is better for human beings is a dream. My self needs to think.

Thinking happens when working with machines. Music sings of life-styles. Lenses display philosophies. Technology is a good thing, sometimes.

I want to be open to new experiences, without reflecting on any preconceived notions. I try "traying" in a study of the nature of winter. I share the spectacles of the seasons, I grow intimate with the splendid mountains. I keep on "trucking"...

... sometimes.

Frustration is a familiar friend.

Competitive sports show me my physical endurance. I learn to respect my body for its instincts, strong or weak.

Athletic games are a sensuous exercise. Win or lose, I have the need to be out of breath when they are over.

I gently touch the sources of nature that are closest to my own.

I search for and find my identity.

I feel the need to share my uniqueness.

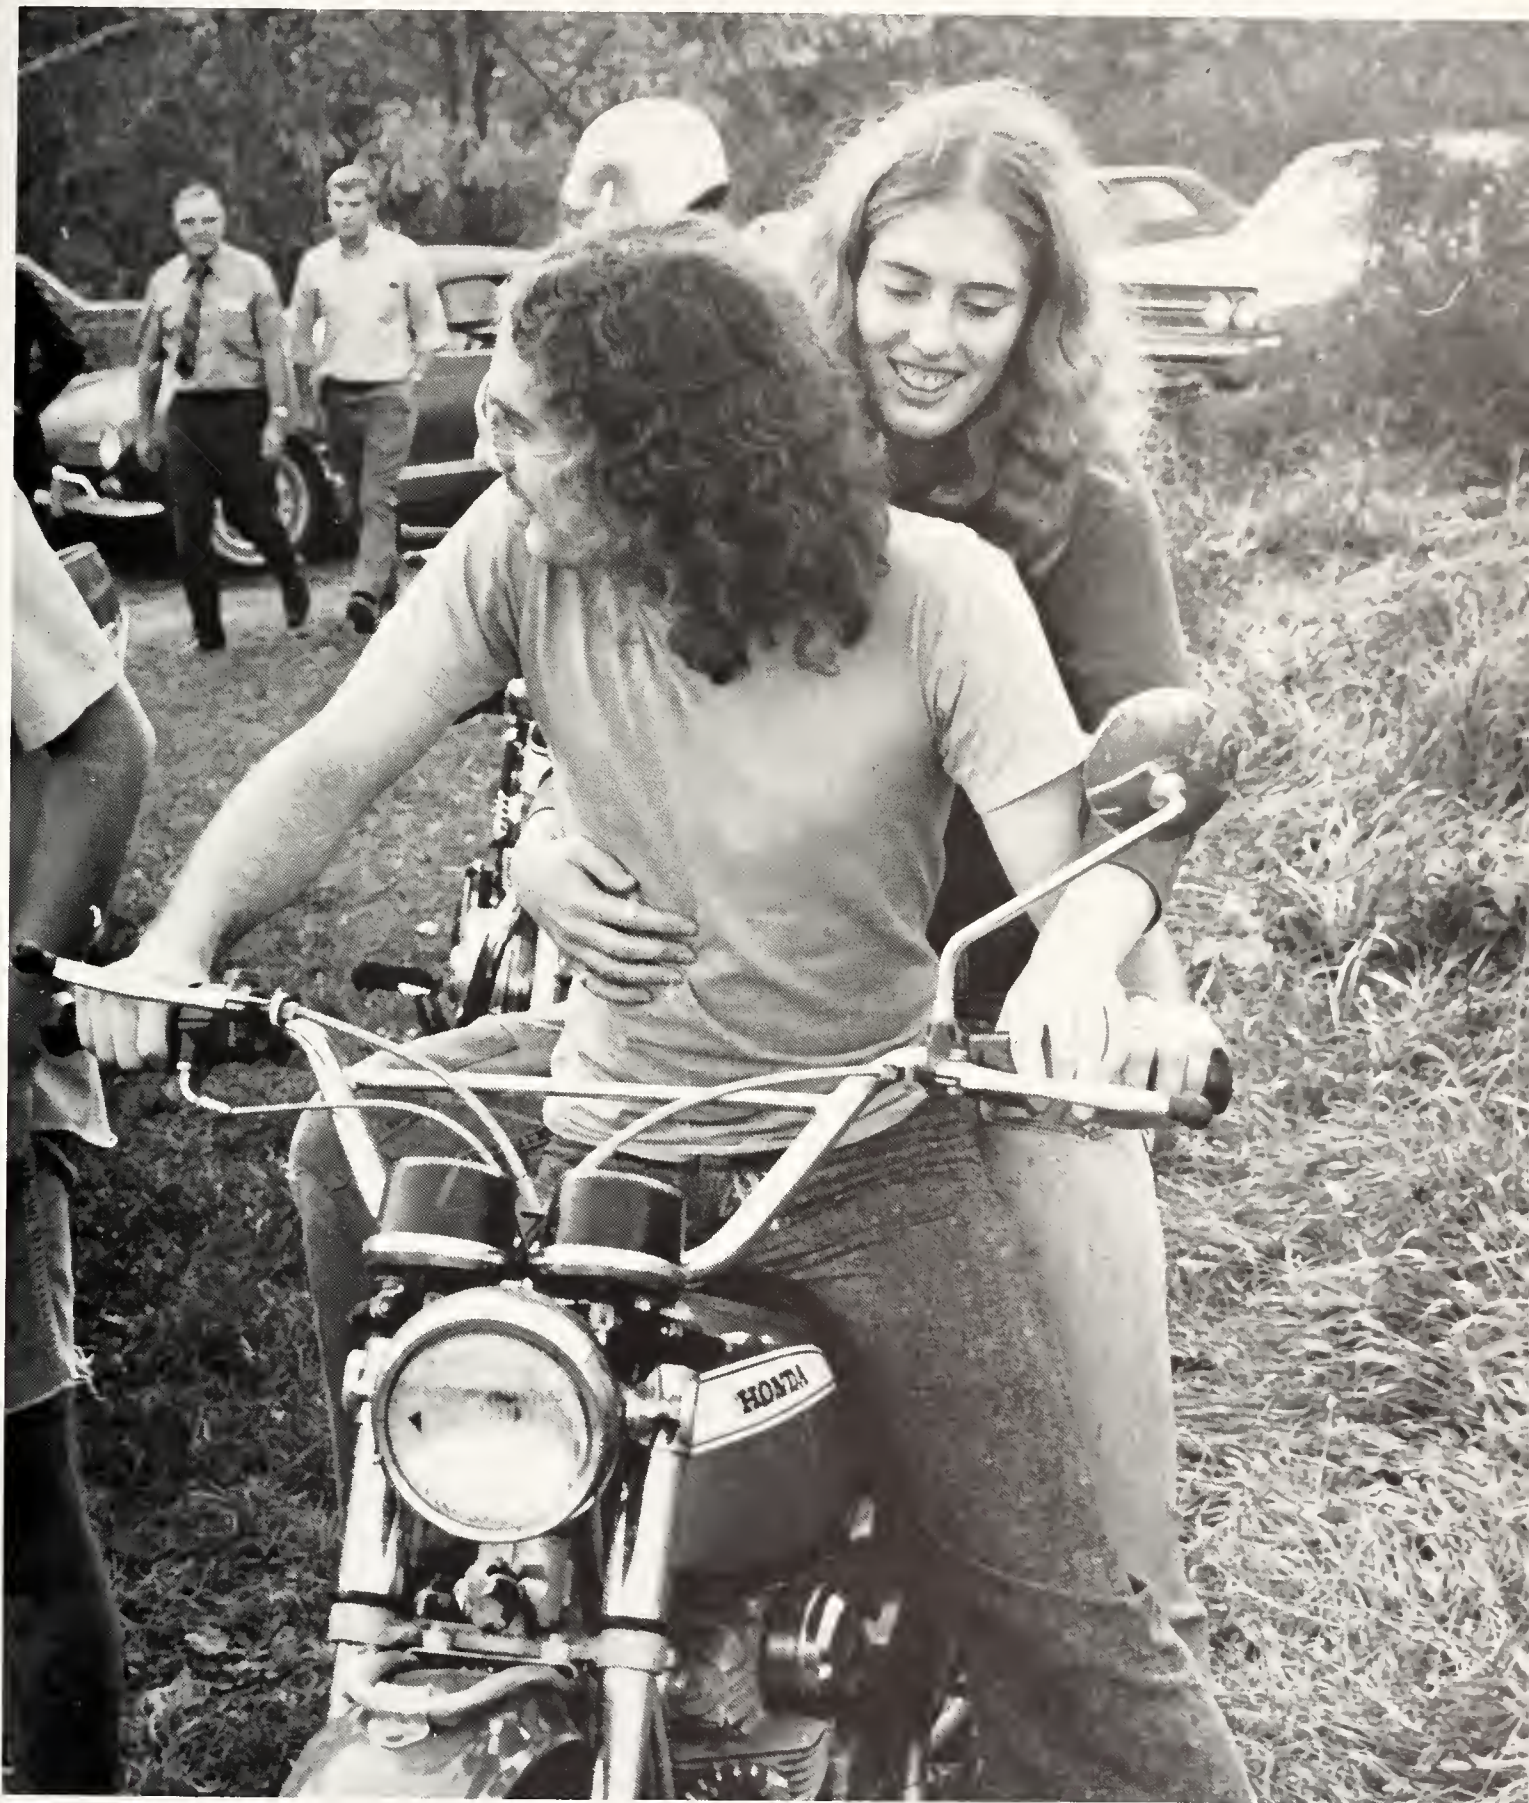

We love.

*We share
beds, bumps, and bikes.*

We interact professionally.

*Professors and students merge in each other's continual growth
of awareness and experience,*

*Fall is the spectacular beginning of our performances.
Homecoming is the first scene.
Friends mingle with football, floats, and festivities.*

We wonder at the phenomena of nostalgia.

*Underclassmen are the fortunate ones.
We have the time to act now.
We'll take the time to reminisce later.*

Working together on weekdays allows us to build Bud-can pyramids on weekends.

We listen intently to each other's noises

and those of our own,

It's healthy to compete.

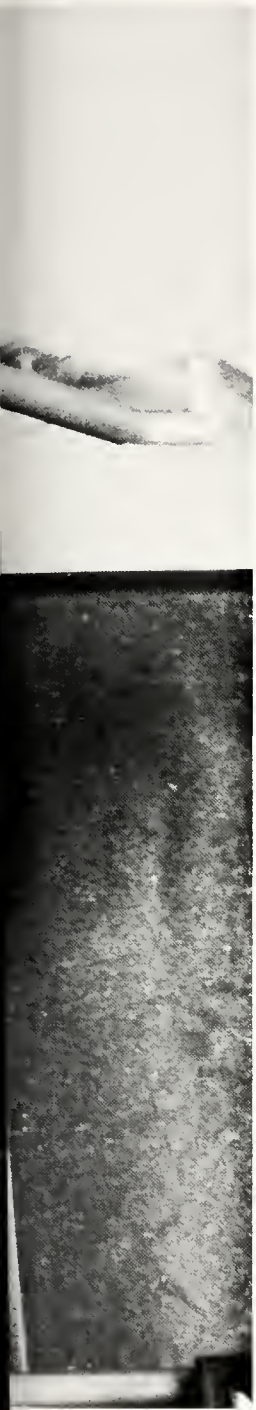

Bethany's beauty surrounds us. But walking away from it is sometimes refreshing.

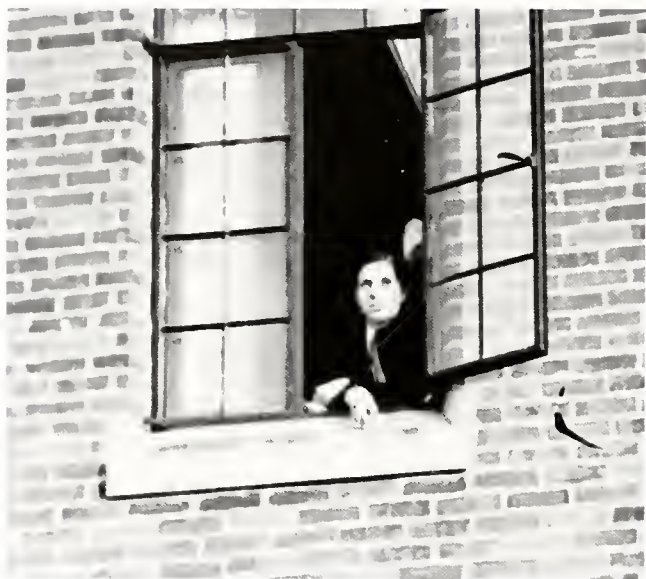

Unfortunately, her beauty is perishable. Strip mines rape the good earth, and the meaningless destruction continues. We think of how to change the system while sitting in it.

To change, we are told to fight. We are told to be patient.

We are told.

Loneliness and isolation are back to back.

Frustrations collide.

To bring us face to face with each other it takes more than an empty hello.

*If we lend a helping hand, we grow.
Pumpkins get moved. Careers launched.*

The feeling of being together becomes the inherent dream of all of us. We share our experiences. Spontaneously, we show how natural it is to care for one another.

The feeling multiplies.

Kido share their enthusiaom with no.

We help each other.

We help ourselves.

*The circle of affection grows. Our feelings and experiences
involve more than you and I. Our vulnerability and fear diminish.
We watch while our community comes together.*

*We work together. We play together.
We share a common task, relaxation.*

This is a place where many selves have gathered.

We are unique, with different personalities and experiences. Each enhances the other. We form a community with its own values and goals. To be a success, our individuality must be respected. A uniqueness breathes passion into the community.

This is a community.

It's a place, a location, and a neighborhood.

*Frank's Enterprise and the Wooden Keg are our bars.
There's not much traffic, and everyone goes slow.
We are at home in Bethany.*

*Music rises from our community.
There's the SAE's stereo, "oldies" at the Wooden Keg, folk
songs at Maxwells and Musak with breakfast, lunch,
and dinner.*

Sitting together on the gym floor, we share a concert.

Yes performed for us in the field house. Fanny, McKendry Spring, Lighthouse, Jim Dawson, and Leo Kotke delighted us with their skills. Visiting artists are appreciated by the whole community.

We organized a Violence and Agression conference.

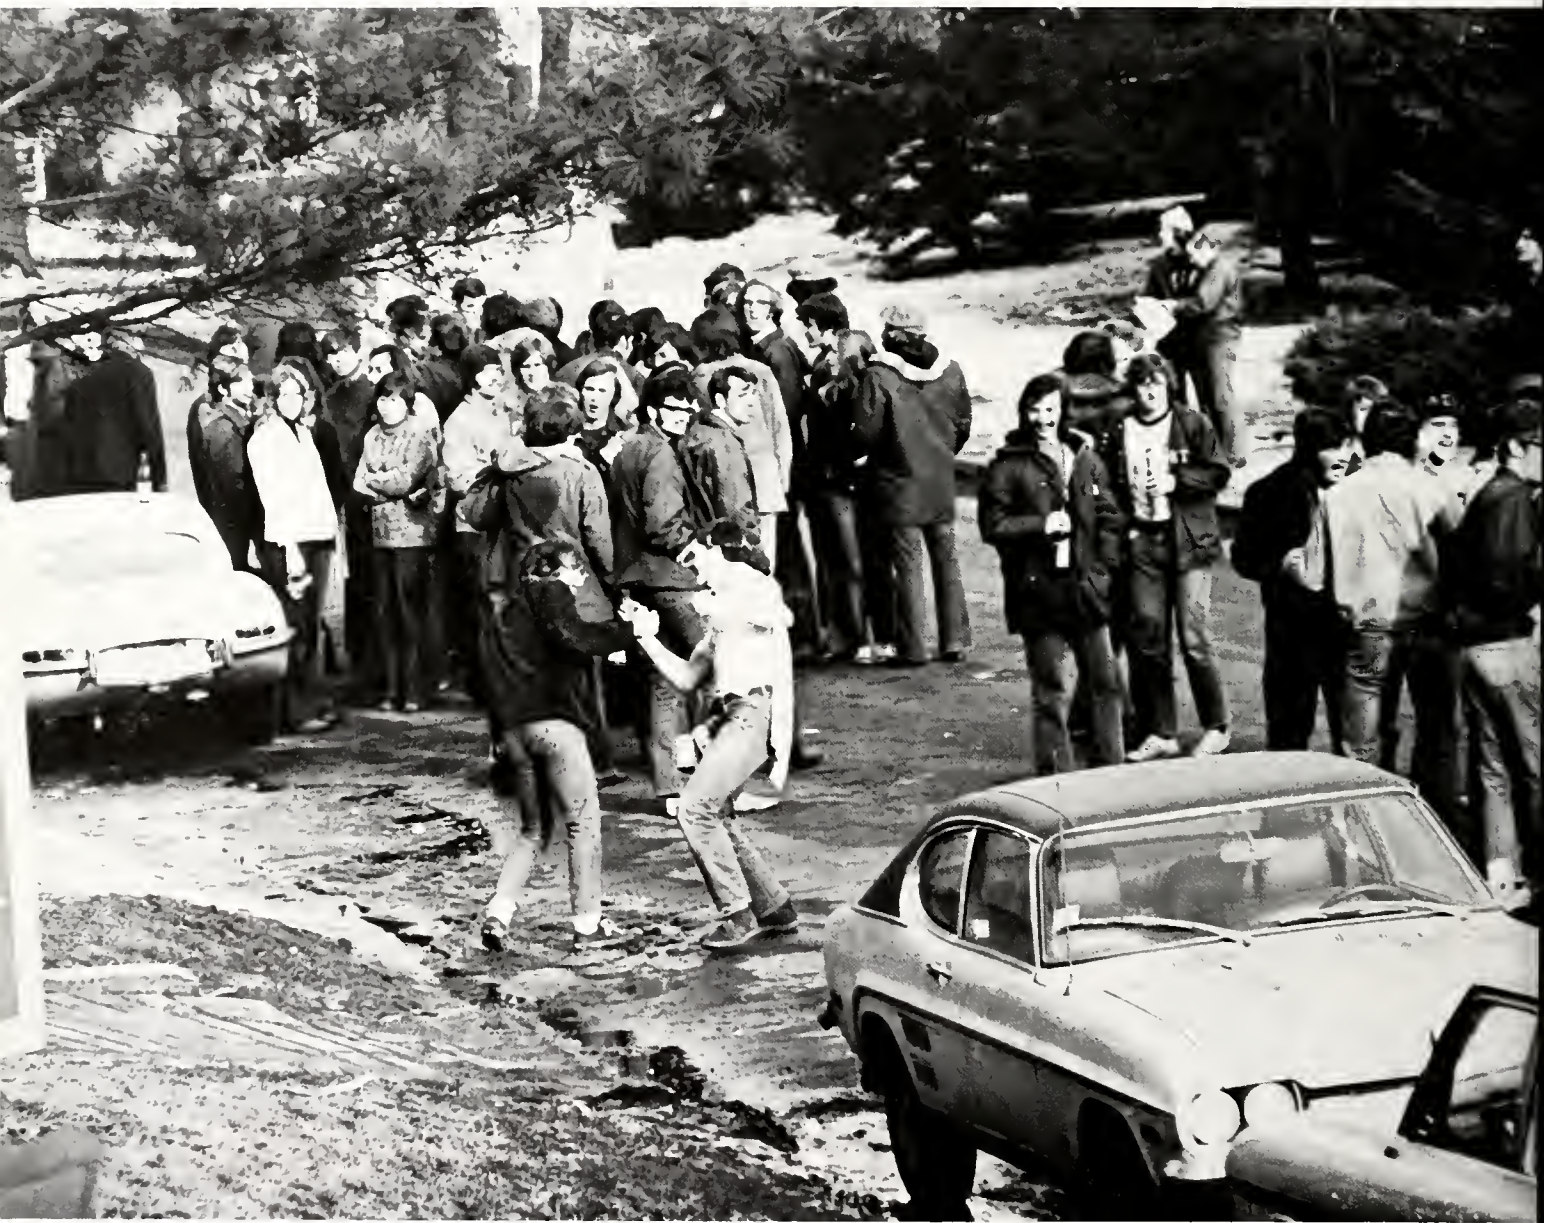

We hiked for Hope to make a positive statement.

CLEW presented Michael Norak this year.

*Organizations embrace newcomers.
The constant questions. Hi stop!
Where're you from?
What's your major?*

Cheers!
The campus celebrates Bid Day.

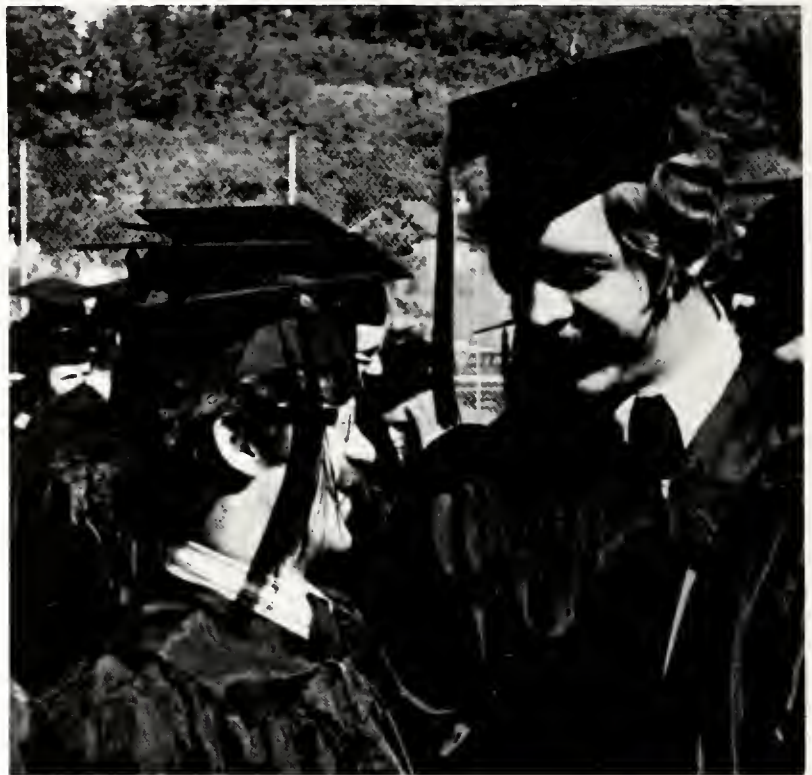

*Commencement is the final ritual.
Students and Faculty perform for the relatives.*

We have mingled our experiences, joined in a communion.

Our temporary community is disbanding.

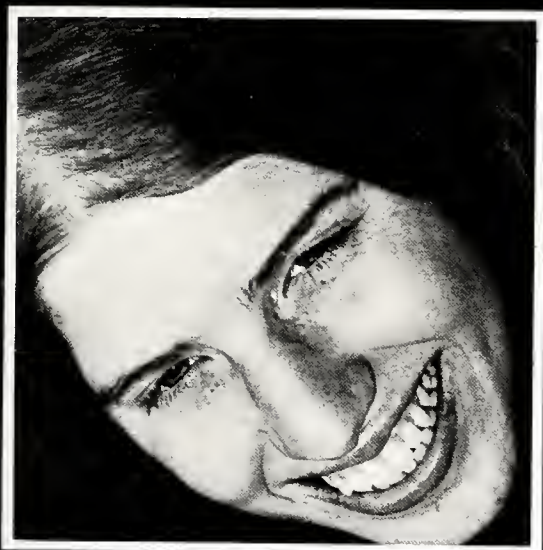

We take with us methods, relationships, and memories.

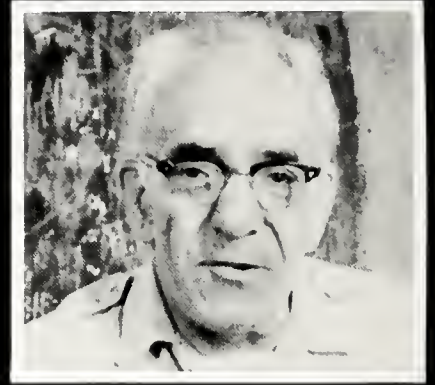

A new community awaits us, we separate.

We are many things to me.

The Way We Are

The Way It Is

Indeed, I am.
